

Key Points

- **Archangel** provides the option for a clinician or a supervisor to add their signature to the bottom of a PDF Assessment Report
- Signatures can be saved in the following ways:
 - Generate
 - Draw
 - Upload
- **Important:** Currently (as of May 2022), signatures will only show at the bottom of the PDF Assessment Report when:
 - Both an Assessment and a treatment is documented, and;
 - A product order is placed

Click the settings tab

Click the Add Signature tab

The screenshot displays the ARCHANGEL web application interface. At the top, the logo 'ARCHANGEL' is on the left, followed by a hamburger menu icon. On the right, there is a 'Care Consultation' button, a user profile for 'Nancy Supervisor' (Supervisor, Scotts Home Health), and help/refresh icons. A left sidebar contains navigation links: Orders, Patients, Dashboard, Products, Settings (highlighted with a red box and a blue arrow from the 'Click the settings tab' instruction), Learning, and Wounds. The main content area is titled 'Settings' and contains two tabs: 'Change Password' and 'Add Signature' (highlighted with a red box and a blue arrow from the 'Click the Add Signature tab' instruction). The 'Add Signature' section is titled 'Add/Edit Your Signature' and offers three methods: 'Type your Full Name' (with a text input field), 'Draw your signature' (with a drawing area), and 'Upload your signature' (with an upload icon). At the bottom of this section are 'Clear' and 'Save' buttons.
